

Opening your account on JIRA AF

Step 1: Register

Signup quickly to register on the platform

Enter Phone Number > Verify via OTP > Signup Complete

Step 2: Complete KYC

In order to finish registration, you will need to complete KYC

Keep these documents handy to ensure a smoother KYC experience

- PAN
- Aadhar Number
- Bank Account Details
- Demat Account Number

Note: Please ensure your Aadhaar is linked to your phone number

We will help you complete your KYC in compliance with SEBI and the Exchange

Step 3: Activating your account

Sit back and relax while we activate your account.

Activating your account requires us to send your KYC information to the KRA and register you as a participant with the Exchange. This may take upto 2-5 working days.

We will inform you once your account is successfully activated. On account activation, you will be able to securely invest through our platform in compliance with regulatory guidelines.
